BOUDOIR BATHROOM

The new **Amboise Vanity** from **Acajou** is inspired by rococo style and hand-painted in the company's signature 'Boudoir Red'. A combination of dramatic shape and marble worktop makes for a striking statement that will inject style into any bathroom. Part of the **Le Manoir** collection, the range offers a seductive alternative to a minimal white bathroom, bringing grandeur, luxury, and glamour to the ritual of bathing. Acajou, 0121 328 4111, www.acajoudesign.com.

ECO CHIC

The Alternative Flooring Company has launched two exciting new carpets entitled **Nature** and **Nurture**, made of 100% natural wool. Ecological sensitivity is the key objective of this collection, and the carpets are hand woven on traditional looms, using natural latex rather than synthetic materials to secure the jute backing. Nature – a loop style – is organic and textured, while Nurture is cosy, soft and velvety in finish. Available in six neutral shades of Cobble, Taupe, Fawn, Wheat, Cream and Ivory, these carpets start at £39.95sq m. The Alternative Flooring Company, 01264 335111, www.alternativeflooring.com.

SWEDE DREAMS

You've heard of a sleigh bed but Brighton-based company **Swedish Interior Design** go one step further and make beds out of real antique working Swedish sleighs – a unique design concept. The shop also offers a great selection of antique and hand-made reproduction Swedish pieces, from
